

Kilwex Ltd is a private limited company experienced in civil engineering and building contracting works for public and private sector clients. The Company's primary objective is to deliver projects that consistently meet client, statutory, and regulatory requirements, while achieving high levels of customer satisfaction and protecting Kilwex's reputation for quality and reliability.

Overall responsibility for quality control lies with the Directors, who provide leadership and commitment to the effective operation and continual improvement of the Company's Quality Management System (QMS), which is implemented in accordance with the requirements of **ISO 9001:2015**.

Kilwex Ltd are committed to:

- Delivering projects to a consistently **high standard** of workmanship, materials, and technical accuracy through effective planning, supervision, inspection, and quality control processes.
- Providing a cost-effective, reliable, and timely service that meets or exceeds **client requirements** and contractual obligations.
- Promoting a strong **culture of quality** in which employees are competent, engaged, and encouraged to contribute to the identification of issues and opportunities for improvement.
- Ensuring that all employees are aware of and understand the requirements of the Quality Management System through induction, training, and ongoing communication.
- Applying **risk-based thinking** to identify, assess, and control factors that could affect quality performance and customer satisfaction.
- Establishing, monitoring, and reviewing quality **objectives and targets** to drive continual improvement of the Quality Management System.
- Providing **adequate resources**, including trained personnel, equipment, time, and financial support, to achieve quality objectives.
- Achieving full **compliance**, as a minimum standard, with all applicable legislation, regulations, approved Codes of Practice, and client requirements.
- **Communicating** this Quality Policy to employees, suppliers, subcontractors, and other relevant interested parties.

This Quality Policy is reviewed at least annually, and additionally where significant organisational, legislative, or operational changes occur, to ensure its continued suitability, adequacy, and effectiveness.
